Baggage Checkout - Web Version

- The pdf has the full contents of the printed book.
- Each two page spread in the book is presented as an A4 landscape page in the pdf.
- Online, you can scroll and view any part of the book easily.
- To print - print as landscape on A4 paper - best if your printer can cope with 100% size which then will then be identical with the book.
- Each unit can be printed separately using your printer settings. This enables you to print out several copies of a unit for a group Bible study etc.
- You may find it easier to buy the book!...here

Enjoy
